

**TEACHER CERTIFICATION PROGRAM FOR COLLEGE GRADUATES
WORLD LANGUAGE EDUCATION (GERMAN) GUIDELINES**

The School of Education’s Teacher Certification Program for College Graduates (TCPCG) in World Language Education is designed to prepare college graduates for certification as teachers of world language (Pre-K - 12). College graduates who have completed or anticipate completing an accredited bachelor degree program at this or another college or university may apply for admission to the TCPCG when their academic background includes completion of the following general education and subject area major requirements. Applicants must also apply to and be accepted by the Graduate School of the University of Connecticut to pursue a Master of Arts degree in Education. To earn the University of Connecticut’s institutional recommendation to serve as a teacher, students must successfully complete the requirements for the Master of Arts degree in Education and Connecticut’s subject knowledge testing requirements.

PLAN OF STUDY REQUIREMENTS FOR WORLD LANGUAGE (GERMAN) EDUCATION CERTIFICATION

1. A bachelor’s degree from a regionally accredited institution.

2. GENERAL EDUCATION REQUIREMENTS:

General academic courses: Applicants must have 39 semester hours of coursework that meets five of six of the following areas: (1) English; (2) Natural Sciences; (3) Mathematics; (4) Social Studies; (5) Foreign Language; or (6) Fine Arts. Applicants must have a three semester hour U.S. History survey course and a course in Physical Education and Health.

3. SUBJECT AREA MAJOR REQUIREMENTS:

Complete a SUBJECT AREA MAJOR in GERMAN (typically, this consists of a minimum of thirty-six (36) credits in the field of concentration). A minimum of twenty-four (24) credits must be taken in one or two closely related fields. A minimum of twelve (12) credits must be taken in related areas.

It is strongly recommended that students complete a maximum number of courses in their major language, seize all opportunities to develop control of the spoken language, and pursue meaningful study abroad prior to admission. Teacher candidates in World Languages are required to pass the American Council on the Teaching of Foreign Languages Written Proficiency Test and Oral Proficiency Interview before they can be recommended for state certification. The State of Connecticut has set the ACTFL WPT and OPI passing score at the intermediate high level, however, the target score for Neag School candidates is set at Advanced Low or higher. The Neag School will make every effort to ensure that candidates reach the Advanced Low level. If a candidate does not score at the Advanced Low level, candidates will be required to participate in remediation activities that may include communicating with native and nonnative target language speakers, additional study abroad, proficiency-based courses, and collaborating with instructors specifically on proficiency goals, and participation in target language club activities in the department of Modern and Classical Languages. Candidates will be required to retake the WPT/OPI following the completion of their remediation plans.
