THE UNIVERSITY OF CONNECTICUT

TEACHER CERTIFICATION PROGRAM FOR COLLEGE GRADUATES CHEMISTRY EDUCATION GUIDELINES

Neag School of Education's Teacher Certification Program for College Graduates (TCPCG) in Chemistry Education is designed to prepare college graduates for certification as teachers of chemistry (grades 7-12). College graduates who have completed or anticipate completing an accredited bachelors degree program at this or another college or university may apply for admission to the TCPCG when their academic background includes completion of the following general education and subject area major requirements. Applicants must also apply to and be accepted by the Graduate School of the University of Connecticut to pursue a Master of Arts degree in Curriculum and Instruction. To earn The University of Connecticut's institutional recommendation to serve as a teacher, students must successfully complete the requirements for the Master of Arts degree in Curriculum and Instruction and Connecticut's subject knowledge testing requirements.
